UN SPORTA DEPARTAMENTS

# City Integration Strategies

- Design – January to April 2021
- Presented at the 2nd Peer Review meeting (Training Week) – 10th May 2021
- Evaluated by the Scientific Committee

# Cluj-Napoca Integration Strategy - AREAS OF PRIORITY

**Education**

**Labour market**

## Local context

**.Cluj-Napoca, located in the centre of Transylvania, Romania, is a multicultural city with a rising digitalization and innovation focus.**

**.The strategy of Cluj-Napoca aims to enable the city to be a genuine European space, innovative and welcoming.**

# Strategy steps

1. Development of the processes and tools to support the integration (June- Aug 2021)
2. Piloting the processes and tools developed (Sept-Nov 2021)

# Cluj-Napoca - OBJECTIVES

1. Developing and piloting of the ONE-STOP-SHOP online and offline
2. Facilitating access to the labour market

The two objectives aim to encourage foreigners to start a new life in Cluj and support them throughout their integration process, while taking into consideration the diversity of their interests and needs.
